**Subject:** Camp Fund Request

**Date:** Mon, May 2, 2022 10:29 am

---

Good morning,

Here is the information for the camp fund and chapter scholarships. If you are not the current THSBOA rep, please send it to the appropriate person.

1. Each chapter will have a maximum of \$300 to distribute to their members at the chapter rep's discretion, with the restriction that the funds must be used to pay for expenses related to attending a camp run by a THSBOA chapter or a similar camp if a THSBOA camp is not available in your area. (not a college "tryout" camp – this fund is intended to support people who will help your chapter get better)
2. We will continue support for camp expenses, with a limit of \$2000 per camp. The same requirements as last year will carry forward.
  - Run by a THSBOA chapter (NOT individual THSBOA member(s) who have a "camp")
  - Predominantly geared towards HS officials
  - 2-person mechanics for at least some of the camp sessions are a plus.
  - On-court critiques and evaluations of campers required (preferably with video)
  - Camp must be open to any THSBOA official (not a chapter-exclusive camp)
  - Funding preference given to items for campers (i.e. whistles, USB drives, t-shirts). Other expenses can be covered, but we would like to put something in the campers' hands that they can keep.
  - ONE THSBOA Board member *may be* assigned to each camp as adjunct staff.
  - Any camp requesting funds must supply a basic budget to THSBOA
  - Applications should be submitted through Google doc.
  - **Application deadline is May 15, 2022**
  - Deadline extensions may be requested for camps later in the year.

### Camp Fund Request

3. If a chapter has a qualifying camp, they may choose to use their \$300 directly for camp expenses (in addition to any funds requested from the state board). The rationale for this is that a chapter camp potentially benefits every member of that chapter who attends, and the \$300 is better spent reaching the chapter as a whole, rather than a few individuals attending other camps.

If you have any questions or suggestions, please contact a member of the Education Committee.
